Re: Second Written Request for the 1995 Annual Reports

Dear Mr. Young:

As of this date, we have not received your annual report for the Cream Time Claim, the Young Browns Canyon Quarry, the Heber Quarry, and the Torry Buff mines, located in Sanpete, Summit, Wasatch and Wayne Counties, Utah. We have made several attempts to contact you via phone and have left messages on your answering machine. We have had no response to the phone calls.

The Utah Mined Land Reclamation Act, Title 40-8-15, subsection (2) and Rule R647-3-116.1 of its interpretive rules, require a mine operator to file an annual report with this Division by January 31st of each year. This report is required regardless of mine activity, unless the Division grants a written waiver from the annual filing requirement, or the operator receives a formal release from continued reclamation obligations from the Division. Your failure to file this report, may constitute a violation of the Mined Land Reclamation Act, which could result in the issuance of a Notice of Noncompliance and/or a formal Notice of Agency Action.

We assume that your failure to return the completed annual report form was an oversight. Accordingly, we are once again requesting that you submit the required report to this office. Please return the enclosed annual report form no later than April 15, 1996. Please contact me, Lynn Kunzler or Tony Gallegos of my staff if you cannot meet this deadline or have questions or concerns in submitting the report. Thank you for your cooperation and prompt attention to this matter.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
